Siddharth Sharma
Software Developer
Born 1992 in Jaipur, India

About me

I take ownership of the applications/ modules I work on. I consider myself a tech enthusiast and like to attend meetup related to same. While my work focuses on creating web applications, I have explored area of machine learning and fintech. I could tell you about it, but THAT would NOT be a "length-limited" conversation!

Skills

HTML5 CSS3

JavaScript Node.js

Angular 2 TypeScript

React
